David Wilkerson Prophecy

In PREPARATION, October 1993. "There has come to hand a prophetic word through David Wilkerson transcribed during a sermon. Most of know of his ministry and of his prophecies that have proven to be true, so we offer this to you, exactly as i came to us, that you may prayerfully consider it. As it says is I Thessalonians 5:19-21 (NAS) "Do not quench the Spirit. Do not despise prophetic utterance. But examine everything carefully; hold fast to that which is good."

"It is just about to happen very soon; and I am speaking prophetically. If I've ever heard anything from God in my life I heard it! About the notions! Poland owes \$30 billion and they haven't even paid the interest in two years! Saudi Arabia is behind on their payments on \$8 billion - the richest country in the world as far as Arab states and it is not paying its bills! Very soon a European or North African or Eastern nation is going to default on its international loan and when that happens within two weeks Mexico is going to default. Mexico owes \$100 billion - 80% of it to American banks - and here is what is going to happen: About two weeks after the first country goes bankrupt we are going to survive that because most of that money is owed to European banks; German, Swiss and French banks. The 2nd country is going to go down probably Argentina or Brazil and we will kind of live that out and people will settle down and say "Well maybe its not going to hurt." But two weeks after the first country goes down, Mexico is going to default on \$100 billion. And **When the banks open the next day at 9:00 am in the morning \$15 billion an hour is going to be withdrawn from our American banks. They are going to be running our banks; the Arabs, all the Latin American countries. They are going to be running our banks - and before the day is over the United States is going to have to declare a bank holiday.** And we are going into six months of the worst hell America has ever seen! There is going to be chaos! Not even the National Guard is going to be able to quiet it down. We are going to have to call out the whole United States Army.

"Now I've had visions recently for I've been in New York City and I was in Macy's in vision and I say people walking around stunned because they couldn't get their money out the bank. Now I'm going to give you a word of advice. The first country that goes bankrupt, and I've documented this and I've got it sealed in an envelope and I'm going to call all my friends and I'm telling you - this is the first time I've said it in a public meeting like this - but the first country that bellies up you get every dime you have - church get your money out of the bank because you've got two weeks because there's going to be a bank holiday and you won't be able to get a dime for six months. Now of course, there is going to be order restored, but the nation will never be like it is again.

There is going to be fear like we've never known. Judgment is at the door!

"When I was at Macy's department store in a vision and I watched people walking around stunned. They didn't even know what to do. They didn't know what was happening. Then a bunch of young people walked into Macy's and suddenly went wild and began to steal. Within an hour everybody, I saw their spirit, everybody in that store = and they were robbing and stealing. They raped Macy's and destroyed all five floors of Macy's. It was raped and ruined in period of an hour or two. That is just the beginning.

"Folks, it is all in this book (holding up the Bible). We have been warned and warned and warned. You can't tell me God hasn't warned us. You can't tell me God isn't saying something awesome here tonight in the church. He is saying something awesome to us and we better get our prayer life straightened up, our lives straightened up. Get rid of the idol, as Paul writes, and start seeking the face of God is holiness or you are not going to be ready for what is coming. You are going to run around trying to make things right. You are going to run around saying, "What's happening? What's happening? What's Happening? No folks. God is warning! Get ready and you will not fear these things that come onto you and you will start rejoicing. You will not be afraid because your hands are clean. You have been praying and God is building a wall of fire around you to keep you.

"I am not preaching a message of fear. I am pressing. I am saying the enemy is at the gate. Get ready. He is calling for a holy sanctified people. Do you want to repent tonight? Do you want to ask God to forgive you? I know that when I leave this place tonight - I know before Almighty God - I've delivered my soul to you. I didn't come to please you or to make you like my preaching. I didn't come to get you on a mailing list. I came as an messenger of Almighty God. to preach a message in His divine Holiness and He is speaking to your heart, brother and sister and to every preacher in this house. You will pay the price! Now get on you face and repent and get right with God and tear down the idols and (God Says) " I will hear you and will heal your body and I will heal your family, I will answer prayer. I will protect you when judgment comes. I will be with you. I will sanctify you. I will walk with you."

"We ask you to seek God to know if He is speaking to you through this message.
